Additional information

Friday 26 May

Raymond Simonds - Lot 7 Mermaid racing off Seaview

I pledge 2 sessions for 1 person on a Wednesday evening in May or June, racing as one of my crew on a Seaview Mermaid. Racing starts at 6.30 so we usually meet ashore in The Seaview Yacht Club at 5.45pm, go afloat by 6pm and are back ashore for a glass of much needed beer or wine (included!) by 7.15 ish! This could be preceded by a short familiarising/training session for those who might need it. We will be 3 on board and the other crew, usually my partner, has plenty of experience and will be able to guide you throughout. Depending on sizes etc, we might even be able to loan a life jacket and some sailing kit. I can't do every week so we need to work out convenient days please. Bring a change of clothes - sometimes we get wet! You will have full access to the club facilities. Please don't apply if you get seasick!

Sandy Stephens - Lot 9 Indian Head Massage. Reserve £5 Relaxing massage sat in a chair, working on the back, arms, neck, scalp and face.

Clare Alexander - Lot 20 Art Lesson An individually tailored lesson in charcoal drawing, focusing on the importance of composition. 1-2 hour session in my studio.

Please browse Clare's website to see her fabulous work! ([HTTPS://clarealexander.art](https://clarealexander.art)).

Anne Mitchell - Lot 22 A week in France. Reserve £200 per couple

The house in Vernet les Bains is available for a week in the summer of 2023 (2024 by arrangement) during July and August. Nestled in the foothills of the Pyrenees, with a view of Canigou (2,784.66 metres) Vernet les Bains is a lovely town in the south of France in the Pyrenees - Orientales region. Fly to Perpignan, hire a car and be sipping your glass of Roussillon within half an hour. Attractions include freshwater swimming in the nearby lake, a morning in the fabulous Prade market, (everything a French market should be), less than an hour to the fabulous beaches of Canet and the impressionist painters' haunt of Collioure. The walled town of Ville Franche is nearby, vineyards, wine tasting, a tree top experience, the little yellow train that will take you to one of many thermal spas - the possibilities are endless.

The house sleeps a maximum of 6 adults in 3 double rooms and has a fully equipped kitchen and garden. No smoking, no pets.

Mark Winkles, Dave Wade, Damien Ward - Lot 26 Sailing on an Elan 34'. Reserve £40 per person

Solent sailing experience aboard an Elan 34' Sailing Yacht. Morning or afternoon sail from a Marine Berth with 2 skippers. This will be fair weather sailing with a possible anchorage and swim if desired. Minimum 2 people.

Richard Hutchins - Lot 33 Ventnor Holiday flat. Reserve £200

Situated off Madeira Road in Ventnor, this holiday flat is available for up to one week during the summer months of 2023. Only a short walk to the town, beach and beautiful walks with stunning views overlooking the sea.

The flat has two double bedrooms and a small bed settee in the lounge if required. (Wi-Fi available).

Tim Bell - Lot 36 Stained glass window hanging. Reserve £10

The design is flexible, but not over complicated, perhaps a family coat of arms or flowers etc.

Dawn Haig Thomas - Lot 38 Afternoon tea at Barton Manor

Afternoon tea at Barton Manor in the gardens for a family on a sunny summer day. I will prepare and serve tea, home-made scones and cakes for a family to enjoy afternoon tea in this historic garden, which was once part of the Osborne Estate. We have a pretty terrace overlooking Middle Pond, where tea would be served. You can also explore the gardens or have an accompanied tour by the owner. You can take the rowing boat out from the Victorian thatched boat house on our lake and enjoy the views from the water. You are also welcome to explore the Yew hedge maze, which is reaching maturity and nearly complete, as well as walk the loop around the lake. The garden is a Grade II listed park and garden, with many historical features including a gravestone for one of Queen Victoria's dogs and terracing which was put in by King Edward VII. You can also enjoy the Cork Oak plantation, established by Prince Albert.

We can set a date and if the weather looks wet, postpone, as it is so much nicer to be here in the sunshine! Dietary requirements can be taken on board, no problem.

Please note here any reserve you would like to put on your pledge. If you choose not to, the starting bid will be at the discretion of the organisers and the auctioneer. I'll let you decide.

Please detail any exclusions here (eg times when the offer is unavailable or no children)

The date for the tea would need to be agreed between myself and the "winner" (and like everyone, I have commitments in my diary already for the summer) but I would aim to do it this summer or next. Either a weekday or weekend. Timings would be 3 - 5 pm.

Pat Spalding – Lot 44 A swim for 2 in the Embassy Gardens SKYPOOL. Reserve £100

Part of an exclusive, private member's club within the Embassy Gardens South Bank Development, this is one of London's finest rooftop spaces for rest and relaxation. Two guests will have access to the world-famous SKYPOOL - a crystal clear 25m long pool that seems to float in the air.

We would like to thank Nunwell Home Farm for their kind contribution to the BBQ

Thank you for your support for our lovely club.

Your contribution has already helped to buy the fabulous BBQ equipment and the new communication app in the clubhouse. We hope you will enjoy the additional upgrades and facilities that will appear in the next few months as a result of the auction.
